- **TA / VA / PH**
4.98 / 0.64 / 3.3
- **Residual sugar**
-1.8 grs/l.
- **Production**
6,000 bottles.

Tasting Notes:

Viña Única Chardonnay was cultivated with grapes from our vineyard, located in the unique Gualtallary area in Tupungato, which lies at the heart of the Uco Valley. Its soil has high calcium carbonate content that enhances the mineral character and gives structure to the tannins.

This is an elegant Chardonnay, with mineral character, creating an essence of freshness in the mouth alongside soft and balanced oak flavors. These characteristics result in a seller potential of at least ten years.
