Residual sugar	-1,8 grs/l.
Aging	Types of oak and length time in bottle 9 months in French oak barrels and 6 months in the bottle.
Production	4,400 bottles.

Tasting Notes

Viña Unica Chardonnay was made with grapes from our vineyard, located in the exceptional Gualtallary area in Tupungato, the heart of the Uco Valley. Its soil has high calcium carbonate content that enhances the mineral character and gives structure to the tannins. This is an elegant Chardonnay, with mineral character. Fresh in the mouth, soft and balanced oak flavors. These characteristics result in a cellar potential of at least ten year.
